MEMORANDUM FOR: Chief of Operations, DD/P

SUBJECT: USIB Request for Code Word List

25X1A9a

1. You will recall [REDACTED] Secretary of USIB, wrote you about setting up a list of code words for community use. You referred the letter to Chief, CI and myself. We found no objection except that RI, though willing to help, did not think it should have responsibility since this would lead to inter-community relationships beyond DD/P interest and might lead to more community visits to RI than was desirable.

2. You left to me the task of trying to iron the matter out informally with [REDACTED]. It has been ironed out, but the USIB Secretariat desires a letter from you covering the matter. Such letter is attached, drafted by [REDACTED] who has held meetings with [REDACTED] representatives. 25X1A9a
